

Dura-Bond now has a line of engine hardware available.

The engine tear down and cleaning process can lead to broken, bent, distorted, or lost service parts. These items can be troubling to any engine rebuilder, especially when they are difficult to obtain. That is why Dura-Bond offers many of the hard to find OEM service parts you need at substantially lower prices.

- Manufactured to precise OEM dimensions for exact fit
- Extensive product coverage
- Lower prices mean more profits to rebuilders
- Offer hard to find and OEM discontinued parts

If you have any additional OEM hardware needs, we invite you to inquire.

We Make It, Not Just Distribute It!
